PAISES BAJOS

✓ Técnico de mantenimiento industrial

Banken Champignons bv es un productor internacional y distribuidor de setas. Desde los distintos lugares de producción los productos frescos se procesan, envasan y distribuyen a supermercados y mayoristas de los Países Bajos. En el moderno centro de distribución (Wijchen, Países Bajos, provincia de Gelderland) trabajan unos 200 empleados. El parque de máquinas se compone principalmente de cintas transportadoras, equipos de transporte y máquinas de procesamiento. El departamento de mantenimiento se encarga del mantenimiento preventivo y reactivo, la resolución de problemas y contribuye a la confiabilidad de los procesos. El departamento de mantenimiento está formado por profesionales integrales, con conocimientos tanto de mecánica como eléctrica. Debido a la ampliación del departamento de mantenimiento técnico, buscamos candidatos para el puesto de: Técnico de mantenimiento industrial (mecánica / eléctrica) Más info: <https://acortar.link/M507QG>

✓ NURSE, ELDERLY CARE (6 POSTS)

As a nurse in Elderly care, you will play an essential role in the lives of residents/clients. You will create a warm and safe living environment, provide tailored medical and nursing care, and encourage the independence and well-being of the Elderly. You are an indispensable part of the team and contribute to improving the quality of life of residents/clients. **Requirements:** You have completed a nursing degree. (EQF 4) You are a self-sufficient colleague with a strong sense of responsibility. You are someone who naturally does not take over everything, but instead encourages the residents/clients. You are easy-going and able to give and receive feedback from both colleagues and family members. Furthermore, you are communicatively skilled. Más info: <https://acortar.link/WnlskC>

✓ SUPERVISING VETERINARIANS FOR THE DUTCH GOVERNMENT

As a supervising veterinarian (praconer) you will monitor food safety and animal welfare. This includes ensuring compliance in abattoirs, animal transport, import and export certification of products with animal origin. You will supervise with an emphasis on procedural supervision and enforcement, taking appropriate measures where necessary. You will also advise on the implementation of laws and regulations. Depending on workload you will be deployed to small, medium, and large abattoirs (red meat and/or poultry). You will also visit primary companies, export collection centers and cold stores. Official veterinarians are present during processing of animals presented for slaughter. They carry out a range of duties, including ante- and post-mortem checks and checks on the health and welfare of animals presented for slaughter. These official control duties ensure that food business operators have produced meat in accordance with regulatory requirements, with a health mark applied to show that meat is safe to enter the food chain. The employer is a government organization and has a dedicated team of trained and skilled veterinary auditors who carry out compliance audits on a scheduled (announced) basis. Más info: <https://acortar.link/jkFejw1T>
