DINAMARCA

- **Hydrographer**

Do you have the desire and abilities for a job where you will be part of our surveying department and where you encounter different types of tasks? Are you a starting or an experienced surveyor? We have positions in our surveying department, where there is both room for sparring with experienced colleagues and challenges on your own. The surveying department performs surveys, creates survey reports and acts as a sparring partner for the project managers. The survey team consists of various land survey teams and a marine team. Each team has their dedicated field, but at the same time there is close cooperation. Más info: <https://acortar.link/Y7JyTb>

- **Skilled Workers for Healthcare and Elderly Care in Denmark**

A meaningful job in a rapidly developing part of Denmark Lolland is a rural municipality in southern Denmark which is developing rapidly, not least because of the construction of the Fehmarnbelt tunnel to Germany. The island attracts many internationals who appreciate nature, tranquility, and the opportunity to buy a house at a very reasonable price. Your work will take place in a care centre, or as home care in private homes. In either case you will be working on the principle of 'helping people to help themselves', because being as self-reliant as possible increases the quality of life of the citizens. See videos with a glimpse of the daily work in the Elderly and Healthcare Sector (www.dreambroker.com) Salary and terms of employment Working hours are on average 37 hours per week. You will work rotating shifts. Salaries are regulated by the Danish collective agreements. As a skilled carer your starting net salary will range from approx. EUR 2,335 per month to approx. EUR 2,522 per month, plus pension and paid vacation. You will move to Lolland and start working with us from 1st of September 2025, and you will receive your first salary by the end of September. We welcome applications from skilled workers with at least 1 ½ years of relevant vocational training, including knowledge about anatomy, hygiene, infection prevention, nutrition, and health promotion. Más info: <https://acortar.link/KQXuHS>

- **Skilled and dedicated Psychiatrist**
